# Missing Place

## Missing Places

*I wish I was there, to care and*

*who the hell really*

*care*

*all silence and fresh air*

*but where are you? some*

*dispear*

*What a pity, I can't find you*

*C, you just can't*

*see, B, now we're 3*

*A, I hope I can stay*

*Still, you are my favorite*

*place and be*

*blessed*

*where I feel, and heal*

*with no need to*

*appeal*

*I'll find you one day, so sad*

*that day is not today.*
