Puppet's Poet

Puppetâ s Poet

Singing without sing, waves without

A sea, words that

Never ends, I yell, Iâ m

The poet, master of the puppets

Ms. Piggy and the Muppets

Iâ m just following my instinct

To look sane and insane,

Dangerous extinct

My institution, is the second

Part of my intuition,

Common tuition

Leading my way to heal, to

Clarify, looking for

The right bright, metaphor a,

Is like searching

For Zephora

I ask for much, but I give so

Little

I see Midas King, no, I canâ t

Puppet's Poet

Touch him,
I have no reason to fornicate,
Canâ t communicate,
With those more fortunate

My plan to be what Iâ m ready
Am,
Went down through the
Untouchable dam,
I thought it was a swamp

At the end my friends I found
Myself where Iâ m
Not chose to be, dreaming
My dreams and
The bees.
