"Insanity"

Nothing is normal for me
My life is like a fucking circus
All of my closest friends are in an insane asylum
All of my family has been dead for quite some time
My life is fucked up

Insanity is the foundation of my life
Everyone around me is crazy
You have entered the realms of insanity
You have entered the realms of my life

Can you see it in me
Can you see the presence of insanity growing inside me
I don't want to be like everyone around me
I don't want insanity to run my life

Insanity is the foundation of my life
Everyone around me is crazy
You have entered the realms of insanity
You have entered the realms of my life

Evil has finally taken me over
It's about fucking time I lost control
Now I've gone insane and there's nothing you can do to stop it
So just leave me the fuck alone

Insanity is the foundation of my life
Everyone around me is crazy
You have entered the realms of insanity
You have entered the realms of my life

Now just leave me alone
Leave me alone
Just leave me alone...
