# Yours to Hold by Skillet

~Yours to Hold~

By Skillet

I see you standing here

But you're so far away

Starving for your attention

You don't even know my name

You're going through so much

But I know that I could be the one to hold you  
Every single day I find it hard to say

I could be yours alone  
You will see someday

That all along the way

I was yours to hold

I was yours to hold  
I see you walking by

Your hair always hiding your face

I wonder why you've been hurting

I wish I had some way to say  
You're going through so much

Don't you know that I could be the one to hold you?  
Every single day

I find it hard to say

## Yours to Hold by Skillet

I could be yours alone  
You will see someday

That all along the way

I was yours to hold

I was yours to hold  
I'm stretching but you're just out of reach

You should know I'm ready when you're ready for me

And I'm waiting for the right time

For the day I catch your eye

To let you know that I'm yours to hold  
Every single day

I find it hard to say

I could be yours alone  
You will see someday

That all along the way

I was yours to hold

I was yours to hold  
Every single day

I find it hard to say

I could be yours alone  
You will see someday

That all along the way

I was yours to hold

I was yours to hold  
I'm stretching but you're just out of reach

I'm ready when you're ready for me
