Hey Darklady 1

Hey Darklady

Hey Darklady,
tears pouring like the rain
Hey nobody,
can see or feel your pain
Til they go through it,
and it drives them insane.

Hey Darklady,
running down the street
Hey nobody,
knows your heart skips a beat
Til they see the monsters,
grabbing at their own feet.

Crying and running,
from the things chasing you
Jumping to the clouds,
when the things say boo
Til you fall off that cliff,
in your own bedroom.

Hey Darklady,
laying in your bed
Hey nobody,

Hey Darklady 2

sees the nightmares in your head

Til they dream 'em themselves,

wishing they were dead.

Hey Darklady,
crying out from hell
Hey nobody,
lends you a hand to help
Til they're crying out,
from hell their own selves.

Crying and running,
from the things chasing you
Jumping to the clouds,
when the things say boo
Til you fall off that cliff,
in your own bedroom.
