Disturbed (indestructible)

Another mission, the powers have called me away
Another time to carry the colors again
My motivation, an oath Iâve sworn to defend
To win the honor of coming back home again
No explanation will matter after we begin
Unlock the dark destroyer thatâs buried within
My true vocation and now my unfortunate friend
You will discover a war youâre unable to win
Iâll have you know That Iâve become
Indestructible Determination that is incorruptible
From the other side, a terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible
Take a last look around while youâre alive
Iâm an indestructible master of war!
Another reason, another cause for me to fight
Another fuse uncovered now, for me to light
My dedication to all that Iâve sworn to protect
carry out my orders without a regret
My declaration embedded deep under my skin
permanent reminder of how it began
No hesitation when I am commanded to strike
You need to know that youâre in for the fight of your life
You will be shown How Iâve become
Indestructible Determination that is incorruptible
From the other side, a terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible
Take a last look around while youâre alive
Iâm an indestructible master of war!
Iâm indestructible Determination that is incorruptible
From the other side, a terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible
Take a last look around while youâre alive
I am indestructible
Indestructible Determination that is incorruptible
From the other side, a terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible
Take a last look around while youâre alive
Iâm an indestructible master of war!
