Father Time

Father Time

*Time flies by
Like the summer days
All my life
Iâve wanted to say
That I have fallen in love you
I donât want to be with anyone but you
My heart wants hold yours too*

**** *

*So donât let
Time take our lives
Donât let
Father Time
Take away your life
And if he does
Wait for me
In Heaven*

**** *

*If you leave me here
All by myself
Iâd die of insanity
My heart would finally end
As soon as you left
Please oh Please
Donât leave me
On Earth alone
With no one to love
Or anyone to hold me when Iâm scared*

**** *

*So donât let
Time take our lives
Donât let
Father Time
Take away your life
And if he does
Wait for me
In Heaven*

**** *

*I just wanted you
To know how I felt
About you
I want to say to you
Right now
That I will always love you
(ooh ooh ooh)*

Father Time

**** ****

*So donâ t let
(Father Time)*

Take our lives

Donâ t let

Father Time

(Father Time)

Take your life

Father Time
