AJ White is a great basketball player. He is in his Junior year of high school. AJ can shoot, rebound, steal, handle the ball and play just about any position you put him in. The only problem is he is extremely self centered and is sure hes a shoe in for the NBA. Thats when Coach Johnson is debating whether to kick him off the team for being to full of himself. His older brother, Isaac White, is 26 and married and plays in the NBA for the Milwaukee Bucks. He had the same problem when he was in high school and he has to teach AJ how to resolve them before he gets kicked from the team.
