Olympic Summer Cheers, London 2012!

The bright colours of a country, flags waving high

It's one huge party, excitement can touch the sky!

The theme is summer sports, there is love, pride and goal

Each athlete is ready, you can feel power, the radiant soul

There is family happiness, team victory and a winning thrill, glee

Some are down, tried their best but failed and all to see

But everyone should remember, you are there to shine

You have performed for so many, fine sparkle in the line

Yes, winning is wonderful but it's the intense, hard work, great drive!

Olympic Summer Cheers are splendid, glorious spirit is alive

Do it for your country, do it for yourself, your family will be overjoyed!

Let the light shine forever in, SUPER SPORT MEMORIES, London Olympics 2012
