

"Whatever Will Bewilder Me"

"Whatever Will Bewilder Me"

By : Carly Hill

I will happily do what I want. And I have been dying to do anything.

"Whatever Will Bewilder Me"

Content as my skin goes numb...

from the chilling uncertainty standing on railroad tracks.

The noise is deafening. The blinding light ahead,

be it a beautiful omen suggesting bloody dilapidation.

Jumping before the heart panics me into misperception.
