The Hunger Games review(and all things fun!!)

D: "The Hunger Games" By, Suzanne Collins:)

Hiyo! Lets just start this little discussion off with a chat between me and one of my close friends.XD

Me: "So.... the question is Peeta or Gale?"

*Friend: *wears a shirt with Peeta's face and a line that says, 'I*

Me: "oh..... sorry I didn't notice that..."

Friend: "You really don't pay attention do you?.. -.-"

Me: "THATS BESIDE THE POINT YOU PEETA LOVER"

Friend: "... If you don't love peeta then why are you wearing a hat that says. IM PEETA'S KATNISS ,HIS YIN TO HIS YANG, HIS LOVER."

Me: Im not.

Friend: Yeah but you should be.

WEEEEELL Its obvious which side my friend is on... but which side are you on..... dun dun dun!:D

That was lastmonth and I have recently traded over to side Peeta, falling in love with his blond hair and sweet nature. aha! and now I wish I had that hat... hmm somebody should make one. eh?:P

NEXT DISCUSSION, pro's and con's of book (why YOU should read it or... read it again!)

PRO- Come on even BOYS can read a this book, I mean come on, theres some pretty awesome fighting scenes!

Con- (do I really have to say a con....) Ok so it can be a bit boring at parts.

PRO- Romance... sorry Im a sucker for romance, but don't worry theres not too much!

Con- It can get sad... you might even shed some tears, and boys think of it as MANLEY tears...:)

PRO- I don't want to give anything away but the twists are really awesome and if you love cliff hangers BAM 'The Hunger Games' has em'

Con- I dont want to endit with a con for this awesome book, so my con is.. IF YOU DONT READ IT I WILL BE TERRIBLYSAD! and that in itself is totally a con. Dont.make.me.sad.:P
