Dear diary (actual diary)

Dear diary (actual diary) : Chapter 1

20/3/2013

A little about myself; my name is Shakirra-ellen I was born on the 12/3/1995 in Australia, I have lived in Australia my whole life. I have 6 sisters and two bothers all of which are only half brother/sister

Whats happening in my life?

4/3/13 my step dad went missing and was found dead on our farm hours later.

6/3/13 getting told that we are getting kicked off the farm and have 6-8 months to leave.

12/3/13 my eighteenth birthday

13/3/13 my stepdads funeral

19/3/13 my stepdad's 50th birthday

19/3/13 left my boyfriend

Today (20/3/13); like every other day I get up and have to do chores:

- Put chorine in the swimming pool
- feed the dogs
- feed the alpacas and the baby calf

ï¿½I guess my life wasn't exactly hard ï¿½but when my ex decided to start and argument with me it made the day last allot longer than expected. Today was one of those days where I was not in the mood for anything or anyone, I lay down in my mums bed watching my favourite television show when my older sister came in yelling for me to move because she wanted to lay there and watch television 'NO! I was here first ' I objected but it only made her worse she scratched me and punched me, eventually I just gave up and left. I lay in my bed crying wishing I really did have the guts to stand up to those people who made me feel small and worthless but I only get hurt.
