

Cover Up, Your Ignorance Is Showing

By : Atton Brown

This is just like classic me i guess being angry and annoyed with ignorant and judgemental people

Cover Up, Your Ignorance Is Showing

Donâ t ever try to judge me dude
Cuz you donâ t know what the fuck I been through
Iâ ve been through bullshit you couldnâ t even dream
I swam down shitâ s creek and came up clean
I seen
All kinds of evils and sick shits
Been in all out brawls and delivered the last hits
The twits
That call themselves our righteous brothers
Mother
Fuck that, you know there ainâ t no other
Way to survive
Than to strive on the lives
Of the wicked, they should be made brief
For the rest of death will be a relief
We all deserve to die
Even you, even I
So tell me why
They get to live, avoiding mortality
While weâ re getting shivâ d, blasted with brutality
So never assume dude
Cuz the ass is just you
And if you ever judge me without knowing
You might just find that your ignorance is showing
