

I love you, I miss you...I need you

I love you, I miss you...I need you

By : ClayPlusTaylor

This is just a poem I came up with, as I was typing it. It is a true story about the one I love. Hope you like it(:

I love you, I miss you...I need you

I love you, I miss you...I need you

I love you, I miss you...I need you

The things I said, I do regret

So please, don't be mad

You are everything to me

No matter what you see

These weeks have gone bad

I do not know

How to say it

I've never felt this way before

I want you to be

MIne(:

I promise, I won't be evil anymore

I would change everything about me

Just for you

Please come back

I love you

I miss you

I need you
