Well, I Just Thought..

I just thought I would let you know
When you come back I won't be home.
I've packed everything that belongs to me
And have left with no more uncertainty.

I just thought I would let you know
That I was never happy with you in stow
I've thought for years where I could be
And saw the chance where I could flee.

I just thought I would let you know
That my love for you never did grow
I've never been so happy to see the day
And know I had the courage to not stay.

Well, I Just Thought..

Well, I Just Thought..
