# My Christmas Poem

This was supposed to be my Christmas poem

The holiday poem, to show em

Sheer  
Cheer  
But in me  
You wonâ t see  
happiness. Because  
It just never was  
December 20â lwhatever  
I never  
Had one  
That joy  
Of presents and toys  
Na, no noise  
My parents forbid it  
They didnâ t give a shit if  
I missed out  
I should be strong, not pout  
Cheap ass  
Caught me a free pass  
To depression  
But Iâ m older, so itâ s lessened  
I canâ t care, itâ s just a day  
But I can easily say  
Merry Christmasâ lway to waste your day.
