Says the driver, Zuli knowing fully well that the money wasn't in his pocket told the driver he mistakenly wear a trouser he ought not to have wore, he begged the driver to come back for his money at 4:00p.m later that day after showing him where he works, and showing the driver his ID card too..... At last I'm here, I'll collect my fist salary says Zuli as he headed towards the white skyscrapper..... He entered and saw the security men, good morning says Zuli who has never greeted them before throughout his previous days in the company, good morning sir replied the security men.
